

WORLDWIDE PRAYER

Ted Rose - President of WorldWide Prayer

May 22nd, 2011

Dear Friends,

I want you to know how grateful I am to the Lord for bringing you into my life. You are special and I keep you in my prayers each day. My specific prayer for you, is that you would experience the presence and power of God in your life during these challenging and exciting times. I know that many of you are going through some very difficult circumstances, but be assured that the Lord is faithful. He will bring you out of every one of them ---victoriously. *"Many are the afflictions of the righteous, but the Lord delivers him out of them all."* (Psalm 34:19)

As I write this letter to you, I am so filled with excitement because of what God has been doing. Our prayers are being answered. Everywhere we go---from Church to Church, City to City the Lord is pouring out His Spirit in an unprecedented way.

God is:

1. Saving souls.
2. Healing people.
3. Moving congregations in response to the call to prayer.
4. Lighting the fires of authentic revival.

I am almost at a complete loss of words to describe how God is touching people with His incredible love and grace. All of this in answer to your prayers. As you have stood faithful in praying for us, God has heard your prayers and released His glory in a special way.

Many of you know by now that I recently stepped down from my role as California State Coordinator for the National Day of

Prayer. I have accepted the national role as Chairman of the United States National Prayer Council. It is the largest network of Prayer Ministry Leaders in America. You can visit our website at

www.USNationalPrayerCouncil.com. I am honored to serve in this new role and ask that you pray for me to serve faithfully and well, all for the glory of God.

I would like to invite each of you to become members. Just go to the website and click on the (become a member page). I believe that this will be a blessing for you.
